

How to activate a game on Uplay PC

- Download Uplay PC
 - You can find it on Uplay.com or directly [here](#)
- Install Uplay PC and log into your account
 - Create a new account only if you do not already have one

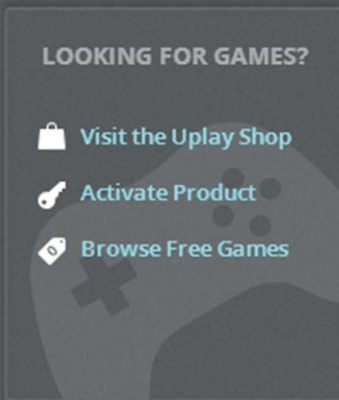

There are 3 different ways to activate a key

1

On the **homepage**,
click on the »Looking for games »
section,
then click Activate Product

2

Click on 
click on Looking for games »
section,
then click Activate product

3

Anywhere in the application,
click on the cog icon in the upper-
right corner,
then click Activate Product
